MEMORANDUM FOR:
Chief, Management Staff, DDS&T

STAT

FROM : J. Kenneth McDonald
Chief, History Staff

SUBJECT : Review and Release of CIA Document to
Dr. Wayne Thompson, USAF Historian

1. Dr. Wayne Thompson, an official historian with the United States Air Force, has asked that he be permitted to use the following document from the Johnson Library in preparing a history of the air war against VietNam:

Document #HS/LBJ/8, 6 Jan 68 (S)

I would be grateful if you would review this document and decide whether it can be released (at its present classification, unless you wish to sanitize or downgrade it) to the United States Air Force for Dr. Thompson's use. The Information Review Officer/DDO has reviewed this document and suggested that it be referred to the DDS&T for review.

2. Dr. Thompson has agreed to the attached "CIA Records Access Policy," which requires further CIA review before any of the classified material you may now release to him can be declassified, downgraded, or published.

3. I would be grateful if you would return this document with your determination to the DCI History Staff, Room 316 Ames.

J. Kenneth McDonald
